I. CALL TO CONVENTION

By authority of the Democratic State Executive Committee, the state convention of the South Carolina Democratic Party is hereby called to meet on Saturday, May 12, 2012, at the Columbia Convention Center, 1104 Lincoln Street, Columbia, South Carolina, to elect a National Committeeman and a National Committeewoman, and to elect Delegates and Alternates to the Democratic National Convention to be held in Charlotte, NC, September 3-6, 2012, and to conduct such other business as it deems necessary and advisable.

II. POLICY

In preparing for the state convention, conducting the presidential primary, the precinct meetings, the county conventions, and other business relating to the activities of the South Carolina Democratic Party leading up to the state convention, the South Carolina Democratic Party Executive Committee hereby adopts the following policy to be followed and to be considered as guidance supplementary to the rules of the South Carolina Democratic Party and the laws of the State of South Carolina as presently written:

In order to insure that the South Carolina Democratic Party is an open party accessible to all who wish to associate with it in good faith and in order to insure that all Democrats will have a full, meaningful, and timely opportunity to participate, the Party states and emphasizes the six basic principles of openness:

1. All public meetings at all levels of the Democratic Party shall be open to all members of the Democratic Party regardless of race, gender, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity or expression, economic status, or physical disability, hereinafter referred to as status.
2. No test for membership in or oath of loyalty to the Democratic Party shall be required or used which has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone or support discrimination on the grounds of status.
3. The time and place for all public meetings of the Democratic Party on all levels shall be publicized fully and in such a manner as to assure timely notice to all interested persons. Such meetings must be held in places accessible to all party members and large enough to accommodate all interested persons.
4. The Democratic Party on all levels shall support the broadest possible registration without discrimination on grounds of status.
5. The Democratic Party shall publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of the Democratic Party officers and representatives on all levels. Publication of these procedures shall be done in such a fashion that prospective and current members of the Democratic Party will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization.
6. The Democratic Party shall publicize fully, and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all officers

and representatives of the state Democratic Party. Such publication should be done in a timely fashion so that all prospective candidates or applicants for any elected or appointed position within the state Democratic Party will have full and adequate opportunity to compete for office.

V. SELECTION OF DELEGATES AND ALTERNATES

This Delegate Selection Plan provides the procedures for the selection of **62 Delegates** and **5 Alternates** from South Carolina to the 2012 Democratic National Convention.

The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2012 Democratic National Convention ("Rules"), the Call for the 2012 Democratic National Convention ("Call"), the Regulations of the Rules and Bylaws Committee for the 2012 Democratic National Convention ("Regs."), the rules of the Democratic Party of South Carolina, the South Carolina Code of Laws, and this Delegate Selection Plan.

South Carolina's delegation shall be equally divided between Delegate men and Delegate women, and Alternate men and Alternate women. This goal applies to the entire delegation, which includes all pledged Delegates and Alternates and all unpledged Delegates. Delegates and Alternates shall be considered separate groups for purposes of achieving equal division.

At every level of the delegate selection process the following procedures will be adhered to so that the process will yield a delegation to the 2012 Democratic National Convention that fairly reflects the division of presidential preference among those who participate.

A. General Provisions

1. Qualifications for Delegates and Alternates

- a. No one may be elected as a Delegate or Alternate to the National Convention who did not both vote in the 2012 Democratic Presidential Primary *and* attend his or her 2012 precinct meeting.
- b. Any delegate or alternate to the State Convention who has met the requirements of this Plan may place his/her name in nomination for a position as a Delegate or Alternate to the National Convention by following the filing process outlined in this

Plan, with the understanding that, under Rule VI. B of this Plan, a presidential candidate's authorized representative may remove names from the Delegate ballot.

c. Any delegate or alternate to a county convention, who has met the requirements of this plan, may place his/her name in nomination for a position as a delegate or alternate to the State Convention.

2. Other Provisions

a. Participation is open to all voters who wish to participate as Democrats, regardless of status. All voters in the primary and all participants in the precinct meetings shall sign the following statement prior to voting: "I do solemnly swear or affirm that I am a registered voter of this precinct and I have not participated in the 2012 Presidential nominating process of any other political party". There is no requirement that a voter shall have been registered for any minimum time prior to the precinct meetings. A voter must have been registered for 30 days prior to the primary.

b. No person shall vote in more than one precinct meeting or county convention.

c. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding elections. A party's nominating process includes the presidential primary (or caucuses), precinct meetings, county conventions, and state convention.

d. At no stage of South Carolina's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating (except for travel and lodging if selected as a Delegate). Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation.

e. No voting shall be by secret ballot at any level of the delegate selection process.

f. At every stage of the process above the precinct level, there shall be equal division between delegate men and women and between alternate men and women, provided there may be a variance no greater than one. There may be an exception to this in a precinct where sufficient numbers of one sex are not present to fill the delegate slots allotted to that sex.

g. No delegate at any level of the delegate selection process shall be mandated by law or Party rules to vote contrary to that person's presidential choice as expressed at the time the delegate is elected.

h. Delegates elected to the national convention pledged to a presidential candidate shall in all good conscience reflect the sentiments of those who elected them.

i. Forty percent (40%) of the members of any Party body above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of convention delegates.

j. There will be no proxy voting at any stage of this process. Alternates who are replacing delegates must register with the county chair or his/her designee at the time of the replacement in order to vote for Delegates and Alternates to the National Convention.

k. The unit rule, or any other practice whereby all members of a Party unit or delegation may be required to cast their votes in accordance with the will of a majority of the body, shall not be used at any stage of the delegate selection process.

l. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process.

m. In electing and certifying Delegates and Alternates to the 2012 Democratic National Convention, South Carolina undertakes:

--To insure all Democratic voters in the state full, timely, and equal opportunity to participate in the delegate selection process and in all Party affairs, and to implement affirmative action programs toward that end.

-- To insure that the Delegates and Alternates to the Convention shall be selected in accordance with the Delegate Selection Rules for the 2012 Democratic National Convention and that the voters in the state will have the opportunity to cast their election ballots for the Presidential and Vice Presidential nominees selected by said Convention.

-- To guarantee electors pledged formally and in good conscience to the election of these Presidential and Vice Presidential nominees, under the label and designation of the Democratic Party of the United States, and that the Delegates certified will not publicly support or campaign for any candidate for President or Vice President other than the nominees of the Democratic National Convention.

n. All Delegates, Alternates, and standing committee members must be *bona fide* Democrats who have the interests, welfare and success of the Democratic Party of the United States at heart, who subscribe to the substance, intent and principles of the Charter and the Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith.

3. South Carolina is participating in the state run presidential preference primary that will utilize government-run voting systems. The State Party has taken (or will take) provable positive steps to:

- a. Promote the acquisition of accessible precinct based optical scan systems, wherever possible. (Rule 2.H.(1))
- b. Seek enactment of legislation, rules, and policies at the state and local level to ensure that direct recording electronic systems include a voter verified paper trail (Rule 2.H.(2))
- c. Seek enactment of legislation, rules and policies at the state and local level to ensure that both optical scan and direct recording electronic systems include recognized security measures. These measures include automatic routine annual audits comparing paper records to electronic records following every election and prior to certification or results where possible; parallel testing on election day; physical and electronic security for equipment; banning use of wireless components and connections; public disclosure of software design; use of transparent and random selection for all auditing procedures; and effective procedures for addressing evidence of fraud or error. (Rule 2.H.(3))

B. Procedures for Selecting Delegates and Alternates to the County and State Conventions

1. Prior to the precinct reorganization meetings, each county party's Executive Committee shall determine the number of delegates to be elected by each precinct to the County Convention. Under South Carolina State Law each precinct is entitled to one delegate for each twenty-five (25) voters or major fraction thereof in the first primary of the preceding general election year in that precinct, or one for each 25 votes, and major fraction, for the Democratic electors in the last election for President. These numbers may be doubled, tripled, or halved at the discretion of the county Executive Committee, provided that the numbers from every precinct in a county must be treated the same way.
2. Prior to the precinct reorganization meetings, the state party shall notify each county party of the number of delegates that the county may elect to the State Convention. (Under South Carolina State Law, each county is entitled to one delegate for each 6000 residents, according to the latest U.S. census, plus two additional delegates.) These numbers will be doubled and the delegates given half votes.
3. Where there are more candidates for state convention delegates than there are slots to be filled, a vote must be taken to select delegates from among those wishing to attend the state convention. Any filing requirements adopted by a county party must be well publicized, including announcements at the precinct meetings. No county's delegate selection process may in any way conflict with Party Rules, State Law or this Delegate Selection Plan. **Any such process must be adopted by that county party's Executive Committee prior to the Precinct Meetings.**
4. A county Democratic Party with so many convention participants that electing delegates and alternates county wide or congressional district wide is unwieldy may adopt a process which divides the participants into smaller units for electing its delegates and alternates to the State Convention. These smaller units must be based on either number of registered voters or Democratic voting strength and must maintain the

principle of one person, one vote. Affirmative Action requirements and equal division shall be adhered to and there can be no single member districts.

5. For the election of alternates at the County level to the State Convention, the same process used to elect delegates will be repeated.

6. For the purpose of electing delegates and alternates to the State Convention, several county conventions must divide into Congressional District Caucuses. The following chart indicates these counties that contain two Congressional Districts and the number of delegates to be elected in each Congressional District. These numbers are half votes.

Congressional Districts in effect as of Jan. 1, 2011 will be used to apportion district level delegates, since the date that the SC Delegate Selection Plan must be approved by the DNC is likely to be prior to the date final Congressional districts are legally established and since the Congressional Districts in place at the 2012 National Convention will be those in effect as of Jan. 1, 2011.

* In those counties containing two Congressional Districts, each electing an odd number of delegates, a drawing will be held between the temporary Congressional District chairs to determine the gender of the odd numbered delegate to achieve overall equal division of that county's delegation to the State Convention except that in Lee County, the single

delegate from the 6th Congressional District shall be elected without regard to gender and the 5th Congressional District caucus shall elect the remaining 9 delegates in such a manner as to achieve equal division of the Lee delegation as a whole.

6. Replacement of County and State Convention delegates and alternates will be accomplished in the following manner:

a. A delegate who is to be absent or resigns will select from the alternates of his or her county and Congressional District (if possible) the particular alternate who shall take his or her place.

b. If, due to death, absence, or disability, a delegate is unable to select the alternate to take his or her place, that selection shall be made by the delegation in a manner which assures that the alternate will be of the same sex and political subdivision as the delegate replaced.

c. A vacant alternate position shall be filled by the delegation and the replacement shall be of the same sex and, if possible, from the same political subdivision.

7. The election of delegates at each level shall be handled in such a way that the process is open to every delegate and each person can vote at the county and state level. To ensure that there are no secret ballots, if paper ballots are used, each ballot will be signed by the delegate. Unsigned ballots will not be counted.

VI. Responsibilities and Rights of Presidential Candidates

A. Filing by Candidates for President

1. A presidential candidate gains access to the South Carolina ballot by filing a statement of candidacy with the South Carolina Democratic Party. Filing opens at 9:00 AM, Tuesday, January 3, 2012. A filing fee of \$2,500 is required. Filing must be completed by 12:00 noon, Monday, January 9, 2012. Pursuant to section 7-11-20(B)(2) of the Code of Laws of South Carolina, a candidate seeking the nomination of the Democratic Party for President of the U.S. will be certified by the SC Democratic Party to the State Election Commission as a candidate for the Democratic presidential primary. Only those candidates determined by vote of the State Party Executive Council to be generally acknowledged or recognized in news media throughout the United States as viable candidates for that office, and who are actively campaigning for the South Carolina Democratic presidential primary, will be certified. Only those candidates about which such determination is made by the Executive Council shall be deemed to meet the qualifications of party rules under and for purposes of section 7-11-20(B)(2) of the Code of Laws. Additionally, no one may gain access to the South Carolina Democratic ballot unless he or she is a registered voter, is legally qualified to hold the office of President of the United States, and is entitled to obtain delegates. The Executive Council will meet at 1:00 p.m. on Monday, January 9, 2012, to certify candidates for the presidential primary ballot.

2. Each presidential candidate shall certify in writing to the State Democratic Party Chair the name of her or his authorized representative by 9:00 am Tuesday, January 9, 2012.

3. Each presidential candidate shall use his or her best efforts to ensure that her or his respective delegation within the state delegation achieves the affirmative action goals established by this Plan and is equally divided between men and women. (See XIII.A.5.-a,b,c of this plan)

4. In order to insure that participants in the delegate selection process can be fully informed and in order to insure a more orderly process, the following procedures are adopted by which presidential candidates may qualify to seek and obtain delegates to the 2011 Democratic National Convention.

a. No later than November 3, 2011, the State Party Chair shall send to all known, declared, or potential candidates and the Democratic National Committee a certified letter informing said persons that they may register their desire to seek and obtain delegates from South Carolina.

b. Above letter will include as enclosures an envelope addressed to the South Carolina Democratic Party and a form letter.

c. This form letter must be signed by the candidate, witnessed and returned to the Chair of the South Carolina Democratic Party at the state party headquarters in Columbia between November 21, 2011, and January 3, 2012.

d. The returned form letter must be accompanied by a registration fee of \$2,500.

e. The State Democratic Party will give adequate publicity in order that all participants in the delegate selection process are fully informed of those who are eligible to receive delegate votes.

f. No person may receive or obtain pledged delegates at any level of the process unless he or she has complied with this requirement, provided, however, that a candidate may, instead of paying the filing fee, submit a petition containing the names of no fewer than 3,000 registered voters in South Carolina who consider themselves Democrats. A form for this petition will be available by November 3, 2011, at South Carolina Democratic Party Headquarters, 1529 Hampton Street, Columbia, SC. This petition must be filed no later than January 3, 2012.

Nothing herein shall be deemed to preclude a participant or delegate from adopting or maintaining an uncommitted status.

B. Presidential Candidate Right of Approval

1. The State Democratic Party Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than 5:00 PM on April 14, 2012, a list of all persons who have filed for Delegate or Alternate pledged to that presidential candidate.

2. Each presidential candidate, or that candidate's authorized representative, must then file with the State Democratic Party Chair, by April 19, 2012, a list of all such candidates she or he has approved, provided that, at a minimum, three names remain for every Congressional District National Convention Delegate position and two names remain for each PLEO national convention Delegate to which the presidential candidate is entitled.

At the District level, approval is to be given to at least three (3) times the number of candidates for Delegate men and three (3) times the number of candidates for Delegate women; and three (3) times the number of candidates for Alternate men and three (3) times the number of Alternate women selected, keeping in mind the requirement that no more than half of the Delegates from any Congressional District may be from the same county.

Candidates for Delegate who are removed from the ballot at this time must be notified by the presidential candidate or that candidate's representative, in writing and electronically, of such removal by April 20, 2012.

After the District level and the PLEO national convention Delegates have been selected on May 12, 2012, each presidential candidate, or that candidate's authorized representative, must file with the State Democratic Party Chair a list of At-Large candidates she or he has approved, provided that, for each At Large Delegate and/or Alternate position, a minimum of two names remain.

3. Failure to respond will be deemed approval of all District-level Delegate candidates submitted to the presidential candidate unless the presidential candidate or the authorized representative signifies otherwise in writing to the State Democratic Party Chair not later than April 19, 2012.

4. Pursuant to Rule 6.I and Reg.4.9.(c), the State Party Chair will certify to the DNC Rules and Bylaws Committee by April 22, 2012, whether a presidential candidate has used his or her best efforts to submit a list of delegate candidates, at each level, that meets the affirmative action considerations.

5. National convention Delegate and Alternate candidates removed from the list of *bona fide* supporters by a presidential candidate may not be elected at that level as a Delegate or Alternate pledged to that presidential candidate.

6. Presidential candidate review and approval of *newly pledged* PLEO candidates shall occur after the selection of district-level Delegates at the convention. Candidate representatives may review the list of candidates for At-large Delegate and Alternate after all other Delegates have been selected and may at this time exercise their right to remove

names from the ballot under the provisions of B.2. above.

VII. Procedures for Qualifying for Delegates and Alternates to the National Convention

A. Any delegate or alternate to the State Convention who is a resident of the appropriate Congressional District may place his or her name in nomination for Congressional District Delegate by filing a statement of candidacy designating his/her presidential preference and a signed pledge of support for the presidential candidate at the state Democratic Party headquarters at 1529 Hampton Street, Columbia, SC by 5:00 PM, Thursday, April 12, 2012. The mailing address for filing is South Carolina Democratic Party, Attn: Convention Delegate, P.O. Box 5965, Columbia, S.C. 29250. The statement of candidacy may also be filed by fax at 803-765-1692.

B. Any delegate or alternate to the State Convention can qualify as a candidate for a position as an At-large Delegate or At-large Alternate by filing a statement of candidacy designating her or his presidential preference, a signed pledge of support for the presidential candidate favored and *the signatures of at least ten delegates* to the State Convention at the state Democratic Party headquarters, 1529 Hampton Street, Columbia, SC by 5:00 PM, Thursday, April 12, 2012 or by fax at 803-765-1692. **No delegate shall sign more than one such petition. In the case of two or more petitions submitted bearing duplicate signatures, only the signature on the first petition received will qualify. In the case of petitions that are enclosed in an envelope for delivery, there may be no more than one petition per envelope.** *Any person wishing to run for an At-large delegate slot may, instead of submitting a petition, pay a filing fee of \$50.00 at the time of filing.*

This filing fee will **not** be refunded in the event the Delegate candidate's name is removed from the ballot by the presidential candidate. The mailing address for filing is South Carolina Democratic Party, Attn: Convention Delegate, P.O. Box 5965, Columbia, S.C. 29250. The fax number for filing is 803-765-1692.

C. Any delegate or alternate to the State Convention who meets the criteria outlined in Section VIII.D.1 of this Plan may also qualify as a candidate for Pledged Party Leader and Elected Official Delegate by filing a statement of candidacy designating presidential preference at the state Democratic Party headquarters at 1529 Hampton Street, Columbia, SC by 5:00 PM, Thursday, April 12, 2012. The mailing address for filing is South Carolina Democratic Party, Attn: Convention Delegate, P.O. Box 5965, Columbia, S.C. 29250. The fax number for filing is 803-765-1692.

D. The statement of candidacy and pledge of support for At-large Delegates and/or At-large Alternates will be the same. After the at-large Delegates are elected those persons not chosen will then automatically be considered candidates for Alternate positions unless they specify otherwise when filing. No additional filing is necessary.

E. **No statement of candidacy (except as stated in F. below) will be accepted for any reason after 5:00 PM on Thursday, April 12, 2012.** It is the responsibility of those wishing to run for Delegate positions to ascertain, by contacting state Democratic Party

headquarters prior to the deadline, whether their statements of candidacy and petitions (or checks) have been received, and whether their petition signatures are valid. **No candidates for delegate or alternate will be added to the list for any reason after 5:00 PM, Thursday, April 12, 2012 nor will any person be allowed to run for a slot allotted to a Presidential candidate other than that candidate to whom she/he has pledged support.**

F. If persons eligible for pledged Party Leader and Elected Official Delegate positions have filed but have not already made known their presidential preference, they must do so by filing a pledge of support with the State Party at the state convention on May 12, 2012, within 30 minutes after the selection of Congressional District delegates.

G. No electronic mail filing will be accepted.

VIII. ELECTING DELEGATES AND ALTERNATES TO THE DEMOCRATIC NATIONAL CONVENTION

A. Congressional District Delegates

Congressional Districts effective on Jan. 1, 2011 will be used to apportion district level delegates, as the date that the SC Delegate Selection Plan must be approved by the DNC is prior to the date final Congressional districts are legally established and as Congressional Districts in place at the National Convention will be those in effect as of Jan. 1, 2011.

1. South Carolina is allocated 37 Congressional District Delegates and 4 alternates to be elected by presidential preference caucuses within district-level caucuses at the state convention. Participants in Congressional District Caucuses must sign a pledge of support for a presidential candidate in order to vote for Delegates allocated to that candidate.

2. District-level Delegate positions will be allocated to presidential preferences through a proportional representation system based on a primary held on Tues. Feb. 28, 2012.

a. South Carolina's District Delegates are apportioned among the Congressional Districts based on a formula giving equal weight to the vote for the Democratic candidates in the most recent presidential and gubernatorial elections.

b. The state's total number of Congressional District Delegates will be equally divided between men and women with a variance of one.

c. No more than one-half of the Delegates elected in a Congressional District caucus shall be from the same county.

d. The District delegates are apportioned to Districts as indicated in the following chart:

Congressional District	Male Delegates	Female Delegates	Total Delegates	Alternates
1	2	2	4+1 of either sex=5	1
2	3	3	6+1 or either sex=7	1
3	2	2	4	
4	2	2	4+1 of either sex=5	
5	3	3	6+1 of either sex=7	1
6	4	4	8+1 or either sex=9	1
Total			37	4

Note: At the 2012 SCDP Convention presidential candidate representative(s) will determine a method to provide for the “plus 1” delegates to be chosen by lot so the end result will be 18/17.

Alternate Determination method: South Carolina is allocated four Congressional District alternates. These alternates have been allocated to the four Congressional Districts with the highest average percentage of participation in the 2008 presidential primary combined with the participation of the 2010 primary election, which are Congressional Districts 1, 2, 5 and 6. The alternates will be chosen in the following manner in order to balance the gender of the combined total of district level delegates and alternates. Since Congressional Districts 1, 2, 5 and 6 have odd numbers of delegate totals so the person with the next highest total of votes to be a delegate, who is the **opposite sex** of the last delegate chosen, will become the alternate for that Congressional District.

3. District-Level Delegate Filing Requirements (See Section VII of this Plan)

- a. All Delegate candidates must be identified as to presidential preference.
- b. A District-level Delegate candidate may run for election only within the district in which he or she is registered to vote.

4. Fair Reflection of Presidential Preference

a. Primary/Convention – Proportional Representation Plan

South Carolina is a primary/convention state. Accordingly, Delegates and Alternates shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each Congressional District. Therefore, the national convention Delegates elected at the District level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a fifteen percent (15%) threshold at the Congressional District primary level shall not be awarded any delegates or alternates.

- b. Within a Congressional District, if no presidential preference reaches a fifteen percent (15%) threshold, the threshold shall be the percentage of the vote received in that District by the front-runner minus ten percent (10%).

5. Equal Division of District-Level Delegates and Alternates

- a. In order to ensure that district-level Delegates are equally divided between men and women, Delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of Delegate positions, alternating by sex as mathematically practicable, will continue with the next highest vote-getting preferences in descending order until the gender of each position has been assigned.
- b. The gender of the first position to be filled by the winning presidential candidate will be determined by drawing lots. The remaining delegate positions will be assigned to the presidential preference(s), in order of vote won, alternating by gender, once the allocation of district delegates among presidential preference(s) has been calculated. These determinations will be made between April 4 to 7, 2012, by representatives of the Affirmative Action Committee.

B. Unpledged Party Leaders and Elected Officials

1. The following categories (if applicable) shall constitute the unpledged Party Leaders and Elected Official Delegate positions:

- a. Members of the Democratic National Committee who legally reside in the state;
- b. South Carolina's Democratic Member of the U.S. House of Representatives;
- c. "Distinguished Party Leader" Delegates who legally reside in the state. These include the former chairs of the Democratic National Committee.

2. The certification process for the 6 unpledged Party Leader and Elected Official Delegates is as follows:

- a. Not later than March 1, 2012, the Secretary of the Democratic National Committee shall officially confirm to the state Democratic Party Chair the names of the unpledged Delegates who legally reside in South Carolina.
- b. Official confirmation by the Secretary shall constitute verification of the unpledged Delegates from the categories indicated above.

c. The State Democratic chair shall certify in writing to the Secretary of the DNC the presidential preference of the state's unpledged delegates 10 days after the completion of the State's delegate selection process."

C. Pledged Party Leader and Elected Official (PLEO) Delegates

South Carolina is allotted 7 pledged Party Leader and Elected Official (PLEO) Delegates. Pledged PLEO

Delegate Filing Requirements

1. Individuals shall be eligible for the pledged Party Leader and Elected Official Delegate positions according to the following priority: Democratic Mayors of big cities (Greenville, Columbia and Charleston); state legislative leaders; state legislators; and other state, county and local (not precinct) elected officials and party officers.

2. An individual can qualify as a candidate for a position as a pledged PLEO Delegate by filing a statement of candidacy at the state Democratic Party headquarters at 1529 Hampton Street, Columbia, SC by 5:00PM, Thursday, April 12, 2012. The mailing address for filing is South Carolina Democratic Party, Attn: Convention Delegate, P.O. Box 5965, Columbia, S.C. 29250.

3. Pledged PLEO Delegate candidates must be identified as to presidential preference. If persons who have filed and are eligible for pledged Party Leader and Elected Official Delegate positions have not already made known their presidential preference, they must do so by filing a pledge of support with the state party at the state convention on May 12, 2012, within 30 minutes after the selection of district-level Delegates.

4. Selection of Pledged Party Leader and Elected Official Delegates

a. The pledged PLEO slots shall be allocated among presidential preferences on the same basis as the At-large delegates.

b. Selection of the pledged PLEO delegates will occur on May 12, 2012 at the State Convention after the election of district-level delegates and district-level alternates and prior to the selection of At-large delegates and alternates.

c. These delegates will be selected by the state convention. The entire convention will caucus according to presidential preference with each caucus electing the number of PLEO delegates to which it is entitled. These delegates will be apportioned in the same manner as the At-large delegates. The state convention as a whole will ratify the PLEO delegates.

d. The pledged PLEO delegates do not have to be equally divided between men and women, but must include women and African Americans. Efforts should also be made to include GLBT and Hispanic delegates and other historically under-represented groups.

e. Alternates are not selected at the pledged Party Leader and Elected Official level.

E. At-large Delegates and Alternates

1. The state of South Carolina is allotted 12 At-large Delegates and 1 At-large Alternate.

2. Selection of At-large Delegates and Alternates (See Section VII of this plan.)

a. At-large Delegate and Alternate positions shall be allocated among presidential preferences according to the division of preferences expressed among primary voters statewide.

b. Preferences which have not attained a fifteen percent (15%) threshold on a statewide basis shall not be entitled to any At-large Delegates. If no presidential preference reaches a fifteen percent (15%) threshold, the threshold shall be the percentage of the statewide vote received by the front-runner, minus ten percent (10%).

c. The statement of candidacy for At-large Delegates and for At-large Alternates will be the same. After the At-large delegates are elected by candidate caucuses at the State Convention, those persons not chosen will then be considered candidates for At-large alternate positions unless they specify otherwise when filing.

d. The selection of the At-large Delegates and Alternates will occur at the State Convention immediately after pledged Party Leader and Elected Official delegates have been selected. These Delegates and Alternates will be elected in the same manner as the pledged PLEO delegates.

e. In the selection of the At-large delegation, priority of consideration shall be given to African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders GLBT Democrats and women, if necessary, to achieve Affirmative Action goals. The election of At-large Delegates and Alternates shall be used, if necessary, to achieve equal division of positions between men and women, and may be

used to achieve the representation goals established in the Affirmative Action section of this Plan. Delegates and Alternates are to be considered separate groups for this purpose.

f. If a presidential candidate is no longer a candidate at the time of selection of the At-large Delegates, then those At-large slots that would have been allocated to the candidate will be proportionally divided among the remaining preferences entitled to an allocation.

g. If a given presidential preference is entitled to one or more Delegate positions but would not otherwise be entitled to an Alternate position, that preference shall be allotted one (1) Alternate position.

IX. CERTIFICATION OF DELEGATES AND ALTERNATES TO THE NATIONAL CONVENTION

The State Democratic Party Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's Delegates and Alternates to the Democratic National Convention within ten days after their election.

X. REPLACEMENT OF DELEGATES AND ALTERNATES TO NATIONAL CONVENTION

A. A pledged Delegate or Alternate may be replaced according to the following guidelines:

1. Permanent Replacement of a Delegate

a. A permanent replacement occurs when a Delegate resigns or dies prior to and during the National Convention and the Alternate replaces the delegate for the remainder of the National Convention.

b. Any Alternate permanently replacing a Delegate shall be of the same presidential preference and sex as the Delegate she/he replaces, and to the extent possible shall be from the same political subdivision within the state as the Delegate.

(1) In the case where the presidential candidate has only one Alternate, that Alternate shall become the certified Delegate.

(2) If a presidential candidate has only one Alternate, and that Alternate permanently replaces a delegate of the opposite sex thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of Rule 6.C (Delegate Selection Rules for the 2012 Democratic National Convention). In such a case, notwithstanding Rule 18.D.(2) (Delegate Selection Rules for the 2012 Democratic National Convention), the National Convention delegation shall, at the time of a subsequent permanent replacement, replace a Delegate with a person of the opposite sex, in order to return the delegation to equal division of men and women.

2. Temporary Replacement of a Delegate

a. A temporary replacement occurs when a Delegate is to be absent for a limited period of time during the convention and an Alternate temporarily acts in the delegate's place.

b. Any Alternate who temporarily replaces a Delegate must be of the same presidential preference as the Delegate he/she replaces, and to the extent possible shall be of the same sex and from the same political subdivision within the state as the Delegate.

3. Permanent and temporary replacement of a Delegate shall be by the Alternate who received the highest number of votes.

4. Certification of Replacements

a. Any Alternate who permanently replaces a Delegate shall be certified in writing to the Secretary of the Democratic National Committee by the State Democratic Party Chair.

b. Permanent replacement of a Delegate (as specified above) by an Alternate and replacement of a vacant Alternate position shall be certified in writing by the State Democratic Party Chair to the Secretary of the Democratic National Committee within three days after the replacement is selected.

c. Certification of permanent replacements will be accepted by the Secretary up to 48 hours before the first official session of the Convention is scheduled to convene.

d. In the case where a pledged Delegate is permanently replaced after 48 hours before the time the first session is scheduled to convene or, in the case where a pledged Delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an Alternate may be designated (as specified above) to cast the Delegate's vote. In such case, the Delegation Chair shall indicate the name of the Alternate casting the respective Delegate's vote on the delegation tally sheet.

5. A vacant Alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference, of the same sex and, to the extent possible, from the same political subdivision as the Alternate being replaced.

B. Unpledged Delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except under the following conditions:

1. Members of Congress shall not be entitled to name a replacement. In the event of changes or vacancies in the state's Congressional Delegation, following the official confirmation and prior to the commencement of the National Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the U.S. House of Representatives or the Democratic Conference of the U.S. Senate.

2. Members of the Democratic National Committee shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such Delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2012 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of unpledged Delegates.

3. In no case may an Alternate cast a vote in the place of an unpledged PLEO Delegate on the floor of the Democratic National Convention.

XI. SELECTION OF STANDING COMMITTEE MEMBERS

A. Introduction

1. South Carolina has been allocated two members on each of the three standing committees for the 2012 Democratic National Convention (Credentials, Platform, and Rules), for a total of 6 members.

2. Members of the Convention Standing Committees need not be Delegates or Alternates to the 2012 Democratic National Convention.

B. Selection of Members

1. Selection Meeting

a. The members of the standing committees shall be elected by a quorum of South Carolina's National Convention delegates, at a meeting to be held on Saturday, May 19, 2012.

b. A quorum shall consist of forty percent (40%) of the state's delegates to the National Convention.

c. All members of the delegation shall receive timely notice of the time, date and place of the meeting to select the standing committee members.

2. Allocation of Members

a. The members of the standing committees allocated to South Carolina shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the At-large apportionment pursuant to Rule 13.E. of the Delegate Selection Rules for the 2012 Democratic National Convention.

b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to South Carolina. If the result of such multiplication does not equal

0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two positions, etc.

c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position.

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions.

3. Presidential Candidate Right of Approval

a. Each presidential candidate, or that candidate's authorized representative, shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members.

b. Each presidential candidate, or that candidate's authorized representative, must submit to the State Democratic Party Chair by 5:00 PM, Friday, May 18, 2012, a minimum of one name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members submitted by the presidential candidates. Presidential candidates shall not be required to submit the name of more than one person for each slot awarded to such candidate for members of standing committees.

7. Selection Procedure to Achieve Equal Division

a. Presidential candidates shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve South Carolina's affirmative action goals and that their respective members are equally divided between men and women.

b. Each position on each standing committee shall be assigned by gender. For example, the first position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male, the second position for a female, and the remaining positions shall be designated in like fashion, alternating between males and females. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by sex, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The membership of the standing committees shall be as equally divided between men and women.
- (3) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate sex.

5. Certification and Substitution

- a. The State Democratic Party Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three days after their selection.
- b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the Democratic National Committee within three days after the substitute member is selected.

XII. SELECTION OF THE DELEGATION CHAIR AND CONVENTION PAGES

A. Introduction

South Carolina will select one person to serve as Delegation Chair and two to serve as Convention Pages.

B. Delegation Chair

1. Selection Meeting

- a. The Delegation Chair shall be selected by a quorum of the state's National Convention Delegates, at a meeting to be held on Saturday, May 19, 2012.
- b. A quorum shall consist of forty percent (40%) of the state's delegates to the National Convention.
- c. All members of the Delegation shall receive timely notice of the time, date and place of the meeting to select the Delegation Chair.

2. The State Democratic Party Chair shall certify the Delegation Chair in writing to the Secretary of the Democratic National Committee within three days after his or her selection.

C. Convention Pages

1. Two individuals will be selected to serve as South Carolina's Convention Pages by the State Democratic Party Chair in consultation with the members of the Democratic National Committee from the state. This selection will take place Saturday, May 19, 2012.
2. The Convention Pages shall be evenly divided between women and men and shall reflect as much as possible the Affirmative Action guidelines in the Affirmative Action Plan.
3. The State Democratic Party Chair shall certify the individuals to serve as South Carolina's Convention Pages in writing to the Secretary of the Democratic National Committee within three days after the selection. This certification shall be made not later than the time the state certifies its standing committee members.

XIII. AFFIRMATIVE ACTION PLAN

A. Introduction

1. All public meetings at all levels of the Democratic Party in South Carolina shall be open to all members of the Democratic Party regardless of race, gender, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity or expression, economic status, or physical disability (hereinafter collectively referred to as "status").
2. In order that the Democratic Party at all levels be an open Party which includes rather than excludes people from participation, a program of effective affirmative action is hereby adopted by the South Carolina Democratic Party.
3. Discrimination on the basis of "status" in the conduct of Democratic Party affairs is prohibited.
4. In order to achieve full participation by groups that are significantly under-represented in our party's affairs, South Carolina has developed party outreach programs.
 - a. Such programs include recruitment, education, and training, in order to achieve full participation by underrepresented groups in the delegate selection process and at all levels of party affairs for 2012.
 - b. As part of these programs, outreach will be directed at all Democratic constituencies, including groups such as youth, persons over 65 years of age, lesbians, gay, bisexual and transgendered persons, hourly workers, persons with a high school education or less, persons with physical disabilities, veterans, persons of low and moderate income, rural residents, and women.
5. In order to encourage full participation by all Democrats in the delegate selection process and in all party affairs, the South Carolina Democratic Party has adopted and will

implement affirmative action programs with specific goals and timetables for African Americans, young people under 30, GLBT and Hispanic and women Democrats.

a. The goal of the affirmative action programs shall be to encourage participation in the delegate selection process and in party organizations at all levels by the aforementioned groups as indicated by their presence in the Democratic electorate.

b. This goal shall not be accomplished either directly or indirectly by the party's imposition of mandatory quotas at any level of the delegate selection process or in any other party affairs.

c. Because South Carolina voters do not register by party, the SC Democratic Party has determined the demographic composition of the state's Democratic electorate based on 2008 Democratic presidential primary and 2010 Democratic primary participation, in compliance with DNC 2012 Delegate Selection Rules. The data comes from the SC Election Commission, which does include race and gender and age statistics but the SCEC does not include statistics for GLBT voters or for persons with physical (or other) disabilities. For GLBT Democrat determination, exit poll data has been utilized to reach the 5% participation estimate resulting in the numeric goal of 3 delegates. The SCDP has generally established a 5% participation and population threshold to justify the establishment of a numeric goal for delegates. However, the SCDP Executive Committee voted to waive that 5% threshold in order to establish a specific goal for one Hispanic delegate in recognition of the tremendous growth in the SC Hispanic population of South Carolina and as an incentive for participation in the Democratic Party by members of the Hispanic community.

In light of the DNC Rules and Bylaws Committee recommendation concerning the establishment of a specific goal for persons with physical disabilities, the SCDP Executive Committee also voted to waive the 5% threshold for disabled persons (if necessary) to establish a specific goal for one delegate for a person with physical disabilities. Since the SC Election Commission does not collect data on persons with disabilities we were not able to determine the actual Democratic participation level of persons with disabilities. The 2010 Census data from the Social Security Administration provides data on persons with disabilities however the disability data available is not limited to persons with physical disabilities.

The calculations for the establishment of the goal are based on disabled South Carolinians among the general population since we don't have voter participation data. The Affirmative Action Committee is committed to significant outreach and media activity to persons with physical disabilities, beyond the established numeric goal. The SCDP Executive Committee believes the Affirmative Action Committee Plan, as well as the usual outreach and participation to persons with disabilities is substantial and continuing and is an important part of the overall inclusion efforts of the SCDP Delegate Selection Plan. The specific efforts are outlined in the SC Delegate Selection Plan Inclusion Program for Underrepresented groups. We have retained this program for persons with disabilities as a part of our Affirmative Action plan, as a supplemental program, even though a specific goal was also set.

With respect to Asian, Pacific Islanders and Native American voters, numbers of registered voters and those voting in the Democratic primaries are clearly under 1% of the total voter registration, or electorate in South Carolina. This is also true for the Democratic primary voters. Census data confirms that there has not been any significant change in the increase of these groups of voters among the general population or in voter participation so there was no impetus to waive the 5% threshold.

	African Americans	Under 30	GLBT	Hispanic	Native Americans, Asian American & Pacific Islanders	Persons w/ Disabilities
% Electorate	57%	7%	5%	.04%	>1% combined (w/o significant growth in 10 years)	.09%
Numeric Goals	38	5	3	1	0	1

6. Inclusion Program for Underrepresented Groups

The South Carolina Democratic Party’s Inclusion Program, without specific goals, is designed to pro-actively reach the state’s various Democratic constituencies, specifically to include groups such as Native Americans, Asian Americans and Pacific Islanders. The SC Democratic Party’s efforts include outreach, recruitment, education and training, in order to achieve full participation by such groups. The goal is to heighten the awareness of these groups of the Democratic Party’s desire to have them fully participate in the delegate selection process and at all levels of Party affairs for 2012. The SCDP Affirmative Action Plan and Inclusion Programs are consistent with the Democratic Party’s commitment to including these historically under-represented groups in the Democratic Party’s affairs. (Rules 5.C and 7 and Reg. 4.7.)

The South Carolina Democratic Party will also include additional outreach for persons with disabilities in addition to adding a specific goal for persons with disabilities this year. The SCDP is pleased that for many cycles our Delegations have included persons with disabilities. We will continue and expand our outreach, recruitment, education and training efforts to be certain the South Carolina Delegation continues to include persons with disabilities via the new goal. In securing this level of full participation of persons with disabilities, the SC Democratic Party will work with the SC Protection and Advocacy for People with Disabilities Inc. and the National Disability Rights Network.

Additional resources are available and will be utilized for outreach and education and recruitment efforts for persons with disabilities, including the national Protection and Advocacy for Voting Access (PAVA) program, which is designed to ensure election access to individuals with disabilities.

The PAVA website provides significant resources which are useful in our outreach and education efforts. **PAVA**, <http://www.ndrn.org/en/issues/voting/365-pava-materials.html>

The State Party will continue to make accommodations to facilitate greater participation by people with disabilities. For example, we will choose sites with wheelchair accessibility and have a sign language interpreter present, if needed, or assisted listening devices when available or if requested, at any point during the delegate selection process or meetings. The State Party will extend a good faith effort to utilize culturally sensitive and appropriate terminology when conducting outreach efforts in all of these communities. The State Party will appoint a staff person to seek out leaders within these communities to assist the Party with community outreach and delegate training.

Further description of efforts to achieve full participation by persons with disabilities and groups relating to publicity, education outreach and recruitment are detailed below in **Section C. Implementation of the Plan.**

7. Presidential candidates shall assist the South Carolina Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan.

a. Each presidential candidate must submit a written statement to the State Democratic Party Chair by January 9, 2012 to indicate the specific steps he or she will take to encourage full participation in the

delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate.

b. Each presidential candidate must submit demographic information with respect to all candidates for Delegates and Alternates pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as Delegate and Alternate candidates pledged to the presidential candidate.

c. Presidential candidates shall use their best effort to ensure that their respective delegations within the state's delegate, alternate and standing committee delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between women and men. Furthermore, presidential candidates shall use their best efforts at the district-level to approve delegate and alternate candidates who meet applicable equal division and affirmative action considerations in order to achieve the affirmative action goals and equal division for their respective delegations.

7. Implementation of the Affirmative Action Plan shall begin on September 14, 2011, with the distribution of press kits, and will continue through the end of the process.

B. Organizational Structure -- Affirmative Action Committee

1. An Affirmative Action Committee shall be appointed by the State Democratic Party Chair on March 1, 2011.

2. The State Chair shall certify in writing to the Rules and Bylaws Committee of the Democratic National Committee the compliance of the State's Affirmative Action Committee with Rules 5.C, 6.A and 7, and submit the names, demographic data and contact information no later than 15 days after appointment (March 15, 2011).
